Message of Congratulation
to the
75th Anniversary of VUFO

Dear Friends,

On the special occasion of the 75th Anniversary of your Organization on November 17th, we would like to send you the warmest greetings and best wishes from the Vietnam-Switzerland Association.

Since long years we are in contact with VUFO, so we remember many meetings with you. There was no study-journey to Vietnam without a visit at VUFO. At these occasions we always had the opportunity to learn a lot and to discuss many questions. Further, during my multiple stays in Hanoi, I had the possibility to come to VUFO and to exchange information. When one of your representatives was in Europe, some meetings also took place in Switzerland.

During decades we had the possibility to practice the people-to-people exchange and in all these years we had the occasion to meet you as friends. For this we are thankful.

So, let's look forward to continuing our common way for peace and mutual respect, for a world of understanding, friendship and cooperation. Receive dear friends our best wishes for the future of your organization as well as for you personally.

May VUFO reach the 100th Anniversary with great success! We wish you all the best!

In Solidarity
